Re: 515 Avon Place Sewer Connection

Dear Mr. Stough,

Thank you for your prompt response to our Illegal Sewer Connection letter. Our preliminary inspection revealed that your property had three illegal sewer connections. A final inspection showed that the offending connections had been permanently capped; your property is now in compliance.

Enclosed is a drawing denoting that the above referenced connections have been addressed. A copy will also be kept on record in the City of Napoleon's Engineering Department. If you have questions or require any additional information, please contact our office at 419-592-4010.

Yours truly,

Chad E. Lulfs, P.E., P.S.
