

624 Avon

APPLICATION FOR CITY SIDEWALK AND/OR CURBING REPLACEMENT

Location of project 1st Presbyterian Church Corner Washington & Webster
1st Presbyterian Church 303 West Washington
Owner Name Address
Napoleon 43545 419-592-7736
City Zip Phone

Type of work to be performed: Curbing replacement [checked], Sidewalk Replacement [checked]

Total length of curbing to be replaced 425' #8500 Total square footage of sidewalk to be replaced 2188 #3282.00
Estimated cost 28,248

It is required that the City approve the replacement of sidewalks and curbing before the work commences

All construction must comply with the latest City of Napoleon Engineering Specification and/or ODOT specifications whichever is applicable. Non-complaint work will not be eligible for reimbursement. Specifications are available upon request. Inspection is required by the City prior to replacement of concrete and after the work is completed to retain eligibility.

The city will reimburse the owner for sidewalk replacement in the right-of-way at a rate of one dollar and fifty cents (\$1.50) per square foot, if installed in accordance to City specifications. The City will reimburse the owner for curbing replacement in the right-of-way at a rate of twenty dollars (\$20.00) per linear foot, if installed in accordance to City specification.

Reimbursement is made to the owner of the property not the contractor. IT is required that the owner completes an invoice (provided by the City) for such work along with a paid copy of the invoice from the contractor who performed such work (if applicable).

Name of City registered contractor performing such work; (if there is no contractor involved mark Self)
L. H. IRVING DR & SONS City Lic. # WC 2005-111
Donna K Miller (Treasurer) 4/19/05
Signature of property owner Date

This form must be signed by the City Engineer prior to commencement of work in order to be eligible for reimbursement according to the above schedule. Inspection by the City is required prior to placement of concrete and after work is completed. A "WORK IN RIGHT OF WAY" PERMIT IS REQUIRED BEFORE WORK MAY COMMENCE.

This project as specified above is hereby approved for construction and is eligible for reimbursement in accordance with the schedule herein. All work must conform to the City of Napoleon specification.
Joseph A. Klumpp City Engineer 4-20-05 Date
