Dennis Fligor

Dear Ms. Andrews

NOTICE

I stopped by your residence today to inquire about a fence that was recently constructed along the west side of your lot. Since I could not contact you in person I have written this notice. I have also assumed that you constructed the subject fence.

City Manager
Marc S. Gerken, P.E.

The fence you have placed along the west side of your lot against City park property is illegal. The main problem being that the fence is located on City right of way which is not permitted. The second problem being the fence cannot be any more than 3 feet high in the front yard area if it would be permitted. The third problem being you did not acquire a building permit before you installed the fence. Had you inquired about a building permit to install the fence prior to doing so, I would have informed you that you could not place it in the location which you have.

Finance Director
Gregory J. Heath

Law Director
David M. Grahn

You are hereby ordered to remove the illegal fence within 5 days of receipt of this notice. In the event you do not remove the fence within the time specified legal proceedings will be taken against you.

City Engineer
Adam C. Hoff, P.E.

If you have questions or concerns regarding this notice please call me at 592-4010.

Sincerely

Brent N Damman
Building & Zoning
Administrator
