Re. Drainage Swale

Dear Tim

This letter is to inform you that the drainage swale around your property is in compliance with the final grading plan of the Twin Oaks 2nd Addition Subdivision. For the record, I believe Mr. Dawson, Mr. Weisenburger and Mr. Meter were all partly responsible for the filling of your grading swale.

City Manager
Marc S. Gerken, P.E.

In my opinion Mr. Meter has gone far beyond the call of duty in this matter and should be commended.

Finance Director
Gregory J. Heath

Thank you very much for your cooperation with this project.

Law Director
David M. Grahn

Sincerely
