Re: Storm Sewer Extension/Daum Motel

Dear Mr. & Mrs. Plummer:

We have reviewed the possibility of extending a storm sewer from our storm manhole along Euclid Street down an alley right-of-way and terminating at the corner of your motel property.

City Manager  
Terry Dunn

Per our conversation, you would have to make sure all your storm water is discharged into this new line and not the sanitary sewer.

Finance Director  
Rupert W. Schweinhagen

In addition, you agreed to pay the cost of materials (pipe and fittings) necessary to complete the work. The work will consist of 280 feet of 12 inch storm sewer and 14 pipe couplings. The cost of this material is estimated at \$841.96. The City of Napoleon will pay your contractor to install this pipe and we anticipate this expenditure to be in the cost range.

Law Director  
David M. Grahn

We would request that you sign this letter for us to proceed with the work. We will bill you for the material at a later date.

City Engineer  
Marc S. Gerken

Re: Storm Sewer Extension  
Daum's Motel

Dear Mr. & Mrs. Plummer:

As per the Agreement you signed (see January 17, 1995 correspondence), we have attached an Invoice for \$841.96, which represents the cost of the material for the project.

**City Manager**  
Marc S. Gerken

We actually incurred more material cost, but will only charge the agreed upon amount.

**Finance Director**  
Gregory J. Heath
