Re. Lot # 8 VanHyning Estates  
watercourse obstruction.

Dear Mr. Beck

City Manager  
Marc S. Gerken

This letter is to inform you that I have determined that the ravine area which you have filled across lot # 8 of the VanHyning Estates Subdivision, is a natural water course of the VanHyning Creek. The obstruction you have created dictates the maintaining of a nuisance according to City Code Section 139.08 (attached). Therefore, I am requesting that you remove the fill from this natural water course and restore the area affected.

Finance Director  
Gregory J. Heath

Furthermore this fill area was not shown on the grading plan submitted with house site plan # VHLDT8, which invalidates any and all permits that have been issued.

Law Director  
David M. Grahn

In the event you do not comply with this request within 30 days of receipt of this notice, I shall place a stop work order upon the property in question. There are also criminal proceedings which can be used for remedy.

Sincerely

Brent N Damman  
Building & Zoning  
Administrator
