Mr. Harold Wagner  
Napoleon City Manager  
West Main Street  
Napoleon, Ohio

Dear Mr. Wagner;

Pertaining to our conversation of this afternoon; the quality and durability of the plastic type plumbing, as currently installed at my new home at 245 Briarcliff in Napoleon, completely satisfies my requirements.

I also understand that the currently existing installation will remain as an experimental installation and that I will advise any interested parties as to the performance of the plumbing upon request at any time in the future.

Sincerely,

*Gary A. Miller*
