Type of work to be performed:

Curbing replacement

Sidewalk Replacement

Total length of curbing to be replaced 19'

Total square footage of sidewalk to be replaced _____

Estimated cost _____

It is required that the City approve the replacement of sidewalks and curbing before the work commences

All construction must comply with the latest City of Napoleon Engineering Specification and/or ODOT specifications whichever is applicable. Non-complaint work will not be eligible for reimbursement. **Specifications are available upon request.** Inspection is required by the City prior to replacement of concrete and after the work is completed to retain eligibility.

The city will reimburse the owner for sidewalk replacement in the right-of-way at a rate of one dollar and fifty cents (\$1.50) per square foot, if installed in accordance to City specifications. The City will reimburse the owner for curbing replacement in the right-of-way at a rate of twenty dollars (\$20.00) per linear foot, **if installed in accordance to City specification.**

Reimbursement is made to the owner of the property not the contractor. IT is required that the owner completes an invoice (provided by the City) for such work along with a paid copy of the invoice from the contractor who performed such work (if applicable).

Name of City registered contractor performing such work; (if there is no contractor involved mark Self)
