Dear Gerken Asphalt Paving Inc.:
Subject: Broadmoor Ave. reconstruction

I am writing to inform you more completely of the Broadmoor Ave. arrangement that Tony Hoeffel, Adam Hoff, and me had prior to construction of the street. The City of Napoleon has misstated the share of their responsibility. The city share was \$7889.00 according to the documents enclosed and discussed with Adam Hoff. Gerken's estimate was very close to the actual cost. Based on the figure of \$10488.00 I have recalculated the owner's share. The check enclosed ends my responsibility in this matter.

Thanks,

Dr. Michael D. Carpenter
