Re: 790 Clairmont Ave.
Napoleon, Ohio

Mayor
Steven Lankenau

Dear Tom:

We have reviewed the above referenced driveway and if replaced, the curb should be removed to the joint closest to the end of the approach flare on each side.

The City of Napoleon will reimburse the owner \$10.00 per lineal foot for the curb.

We have also checked our records and find that the right-of-way along Clairmont is sixty (60) feet and that the distance from back of curb to the right-of-way is eighteen (18) feet.

This eighteen (18) feet of concrete will have to be six inches (6") (plain concrete) deep with a nine and one-half inch (9½") expansion joint between the curb and driveway.

Should you have any further questions, please call.

Respectfully,

Marc S. Gerken, P.E.
City Engineer
