Re: Vocke Building/Parking

Dear Mr. Tonjes:

We are in the process of securing agreements with the Family Video Store relative to parking spaces and Council has questioned the status of our March 6, 1996 letter (which is attached).

City Manager
Marc S. Gerken, P.E.

We would ask that you please respond in some fashion so that we can inform Council as to what action/direction you have elected to take.

Dear Dave

I have enclosed the information as you have requested along with a copy of a part of the City's zoning code which applies to the site. FYI - The subject site was once occupied by the Heller Memorial Hospital that is why most of us around here refer to it as the old hospital lot.

City Manager
Marc S. Gerken

The next chance you get could you mention to Doug Klang that the City is interested in investing in a parking lot and that his site is a good location for such a lot.

Finance Director
Gregory J. Heath

The City of Napoleon will pay approximately 50% of the cost associated with the new sidewalks shown on the drawings I have enclosed.

Law Director
David M. Grahn

Please submit 4 complete sets of drawings, this will insure a speedy review.

City Engineer
Adam C. Hoff, P.E.

Sincerely

Brent N Damman
