**IN CONSIDERATION OF RECEIVING CITY UTILITY SERVICES, YOU, THE SIGNER, AGREE TO THE FOLLOWING:**

The undersigned, as a "Owner, Tenant, or an Authorized Agent to an Owner(s) or Tenant(s)" (herein after called "Customer") agrees to and shall follow ALL the Rules and Conditions governing the Utility service owned or operated by the City of Napoleon, Ohio (herein after called "Utility Provider") and being now or later furnished to Customer, as now adopted and/or later amended, to wit: Rules Terms and Conditions Governing Sale of Electrical Service and/or the Rules for Water and Sewer, or Refuse Services, regardless if Customer is a receiver of such service inside or outside the corporate limits; said City of Napoleon Rules Terms and Conditions Governing Sale of Electrical Service and/or the City of Napoleon Rules for Water and Sewer or Refuse Services both being incorporated into this document by reference hereto as if completely rewritten.

As applied to a specific utility, this contract shall be for the term as provided in the rules governing the applicable utility to be provided to Customer by Utility Provider at time of signing and shall automatically renew, without necessity of re-execution of contract, one day prior to expiration of this contract (unless otherwise terminated) for the term provided in the rules governing the applicable utility at time of renewal, regardless if Customer is a receiver of such services inside or outside the corporate limits. Any additional utility furnished to Customer after the execution of the contract shall be considered an approved amendment to the contract, without necessity of re-execution of contract.

Where a conflict may arise between this contract and any utility rule, the utility rule as adopted by Utility Provider shall prevail. Where a separate written contract is executed, the contract shall prevail over this document.

Customer agrees in addition to all the rules as applicable to any given utility, to the minimum rules as listed on the reverse side, understanding that such minimum rules are a summary and that Customer is still obligated to follow all rules associated with the Utility(s) being furnished.

If any part of the agreement or any rule or provision thereof is found to be contrary to law by a court of competent jurisdiction, then only that part shall be held invalid and the remaining portion of the rule, to the extent as can be reasonable applied, shall remain in full force.
