Re: Parking of a Recreational Vehicle

Dear Mr. Ruben Hoffman,

As petty as this may be, I have received a complaint regarding the Recreational Vehicle parked in your driveway. Please be informed according to City Code section 1127.10(e) states the following: Except as otherwise provided in this chapter, boats, campers, trailers and similar equipment owned and used by the occupants of the premises may be parked or stored on such premises, provided such storage is not any part of a public right of way and closer than fifteen (15') feet from the edge of the traveled portion of a public roadway.

Currently your Recreational Vehicle is parked 14' back from the traveled portion of the roadway, could you please move it back 1' so that you are in compliance with code section 1127.10 (e).

Thank you in advance for your cooperation in this matter. If you have questions please call me @ (419) 592-4010.

Sincerely,

Brent N. Damman
Zoning Administrator
