November 15, 2006,

This is to advise that an address has been created in the City of Napoleon due to a minor subdivision for a property located at 317 W Maumee. This property is on a corner lot, the house is facing W. Maumee and the driveway for the accessory building is facing Daggett. The minor Subdivision has allowed the existing lot to be split so the house and building will be on separate lots, each will need a separate address. The house will stay the same, 317 W. Maumee and the building will be 610 Daggett.

See attached map for clarification
