RE: Her house walls cracking due to draught - she said you were out on Oct. 27 and again in November. She called Neil Mock and Roger Miller. Neil was out on Dec. 4 and went into the crawlspace and nailed up the girder (?) She's looking for help, she's a widow and does not have close relatives to help her and wanted to know if you have any suggestions. She has some errands to run, please call her after lunch. Thank-you.
