Re: Automobile repair work for a profit
at 1021 Dodd Street

Dear Mr. Gibson:

As per discussed in my office on 3/17/75, you are located in a "C" Residential Zone and City Zoning Ordinance No. 1104 does not permit automobile repair shops in this zoning district, regardless of whether on a full or part-time basis.

So that there is no misunderstanding, again I am informing you that at 1021 Dodd Street you may conduct automobile repairs on your own vehicle without any problem with zoning regulations.

If you have any questions, feel free to call or write.

Very truly yours,

Thomas W. Terranova
Building Inspector
Engineering Department
