Re: 1051 and 1053 Dodd St.
part of Lot #17, E. S. Dodd's
First Addition, Napoleon, Oh

Dear Mr. Terranova:

In regards to the above
I wish to report the following.

I have already investe
in approximately \$500.⁰⁰ worth
of windows, but seeing how
the juveniles in the neighborhood
have used the good glass left
in the structure for target
practice I cannot see that

it is economically feasible to put these new windows in at this time even if it would deeply enhance the outside appearance of said premises).

Whatever openings are in need of enclosure on the first floor I will plywood over or equivalent within the next two weeks. The upstairs openings will be covered to protect against weather.

I have already hired a man to cleanup the plaster & lathe from the inside and whatever debris is laying around outside of the structure so that remodeling can be started this winter.

I hope to have said premises ready for occupancy by mid-July.

I trust this will
meet with your approval.
Thank you for your deep
concern to this matter.

Yours very truly,

Leland S. Weirauch
