Mayor  
Dennis Filgor

Re. Apt. building proposal at Euclid & Appian.

Dear Mr. Bergstedt

Members of Council  
John E. Church, President  
Michael J. DeWit  
Robert G. Heft  
James Hershberger  
Sarah Peper  
Terri A. Williams

I have reviewed the preliminary plans, for the three (3) family apartment building you are proposing, at the corner of Euclid & Appian. I will need the following items shown on your site plan, before I grant final approval.

City Manager  
Terry Dunn

1. Utility locations need to be shown as they will be placed. (water, electric, storm drains and sanitary drains).

Finance Director  
Rupert W. Schweinhagen

2. You will need to collect your storm water on your site, and then discharge into the City outlet via underground piping.

Law Director  
David M. Grahn

3. Also show cross sections of drive approach and parking lot, what type of materials you propose to use, as well as the thicknesses thereof.

City Engineer  
Marc S. Gerken

In addition to the above please show window & door sizes, joist, girder, & rafter details, fire wall details, electrical, plumbing and mechanical details.

If you have questions, please call.

Sincerely

Brent N Damman  
Building & Zoning

1. The first part of the drawing shows a large rectangle with a smaller rectangle inside it. The inner rectangle is offset from the top and left sides of the outer one.

2. Below this, there are several smaller rectangles arranged in a row. Some of these are connected to the larger shapes above.

3. The drawing continues with more complex shapes, including some with dashed lines, indicating hidden or optional parts of the design.

11/10/2021

The drawing is a technical sketch of a mechanical part or assembly. It shows a combination of solid and dashed lines, indicating different views or states of the object. The use of graph paper suggests a precise, scaled drawing.

The date 11/10/2021 is written in the center of the page, likely indicating when the drawing was completed.
