Re. Remodeling at 202 Fillmore.

City Manager  
Marc S. Gerken

Dear Mr. Willeman

Finance Director  
Gregory J. Heath

On January 16, I was ask by VonDeylens to inspect a new heating system which they had installed at the subject property. When I was performing the inspection, I noticed that you where in the process of an extensive remodeling of the dwelling. I also noticed that at one time there was a dwelling quarters in the basement. Please be informed that a building permit is required for remodeling, re-wiring and re-plumbing of this dwelling. Also the dwelling quarters which was once used in the basement may not be re-established or re-used for said purposes.

Law Director  
David M. Grahn

If you have questions or concerns please call me at 592-4010.

City Engineer  
Adam C. Hoff, P.E.

Sincerely
