Mr. Burton Wanner  
216 West Barnes Avenue  
Napoleon, Ohio 43545

Dear Mr. Wanner:

Mary Sauber was in the office today regarding the sidewalk which starts at the back end of her house and runs in a westerly direction to Oakwood Avenue and also the sidewalk which is in between the Sauber house and your house at 202 Filmore Street. Mr. & Mrs. Sauber own and have record title to both of these sidewalks and, of course, have used them continuously for the 32 years that they lived there and before that their predecessors in title used them, and which Mr. & Mrs. Ritz built and paid for,

The adjoining owners living at 202 Filmore Street over the years have used these sidewalks with the permission of the Saubers and they do not intend at this time to shut off their permissive use to the people owning the adjoining house but they want it distinctively understood that they own the two sidewalks and that they intend to exercise all their rights of ownership.

Very respectfully,

MEEKISON & DONOVAN

David Meekison
