Dear Mr. Peterson:

Over the weekend, I viewed the sign on your front lawn advertising a furniture refinishing business within a residential property. You are in a "C" residential district and businesses are prohibited. Business signs within residential areas are prohibited.

City Manager
Alan E. Tandy

The business will have to cease and the sign removed.

Attached is the section on Home Occupations from the Zoning Code. If you feel you fall under a Home Occupation, please feel free to call and discuss it with me.

Your cooperation in this matter is appreciated.

Yours truly,
