Dear Mr. Clark:

This letter will serve as our approval to plant a ten (10) foot by forty (40) foot garden behind your garage and as shown on our plan (attached).

We do not want this garden to extend over your neighbor's backline.

City Manager
Marc S. Gerken, P.E.

This garden shall not be more than fifteen (15) feet into our property and shall be kept free of weeds.

Finance Director
Gregory J. Heath

At any time, due to emergencies and/or normal operations, we may disturb this area without claims from you for damage.

Law Director
David M. Grahn

Utilization of this property is on a year by year basis, based on performance and does not constitute ownership.

City Engineer
Adam C. Hoff, P.E.

Respectfully,

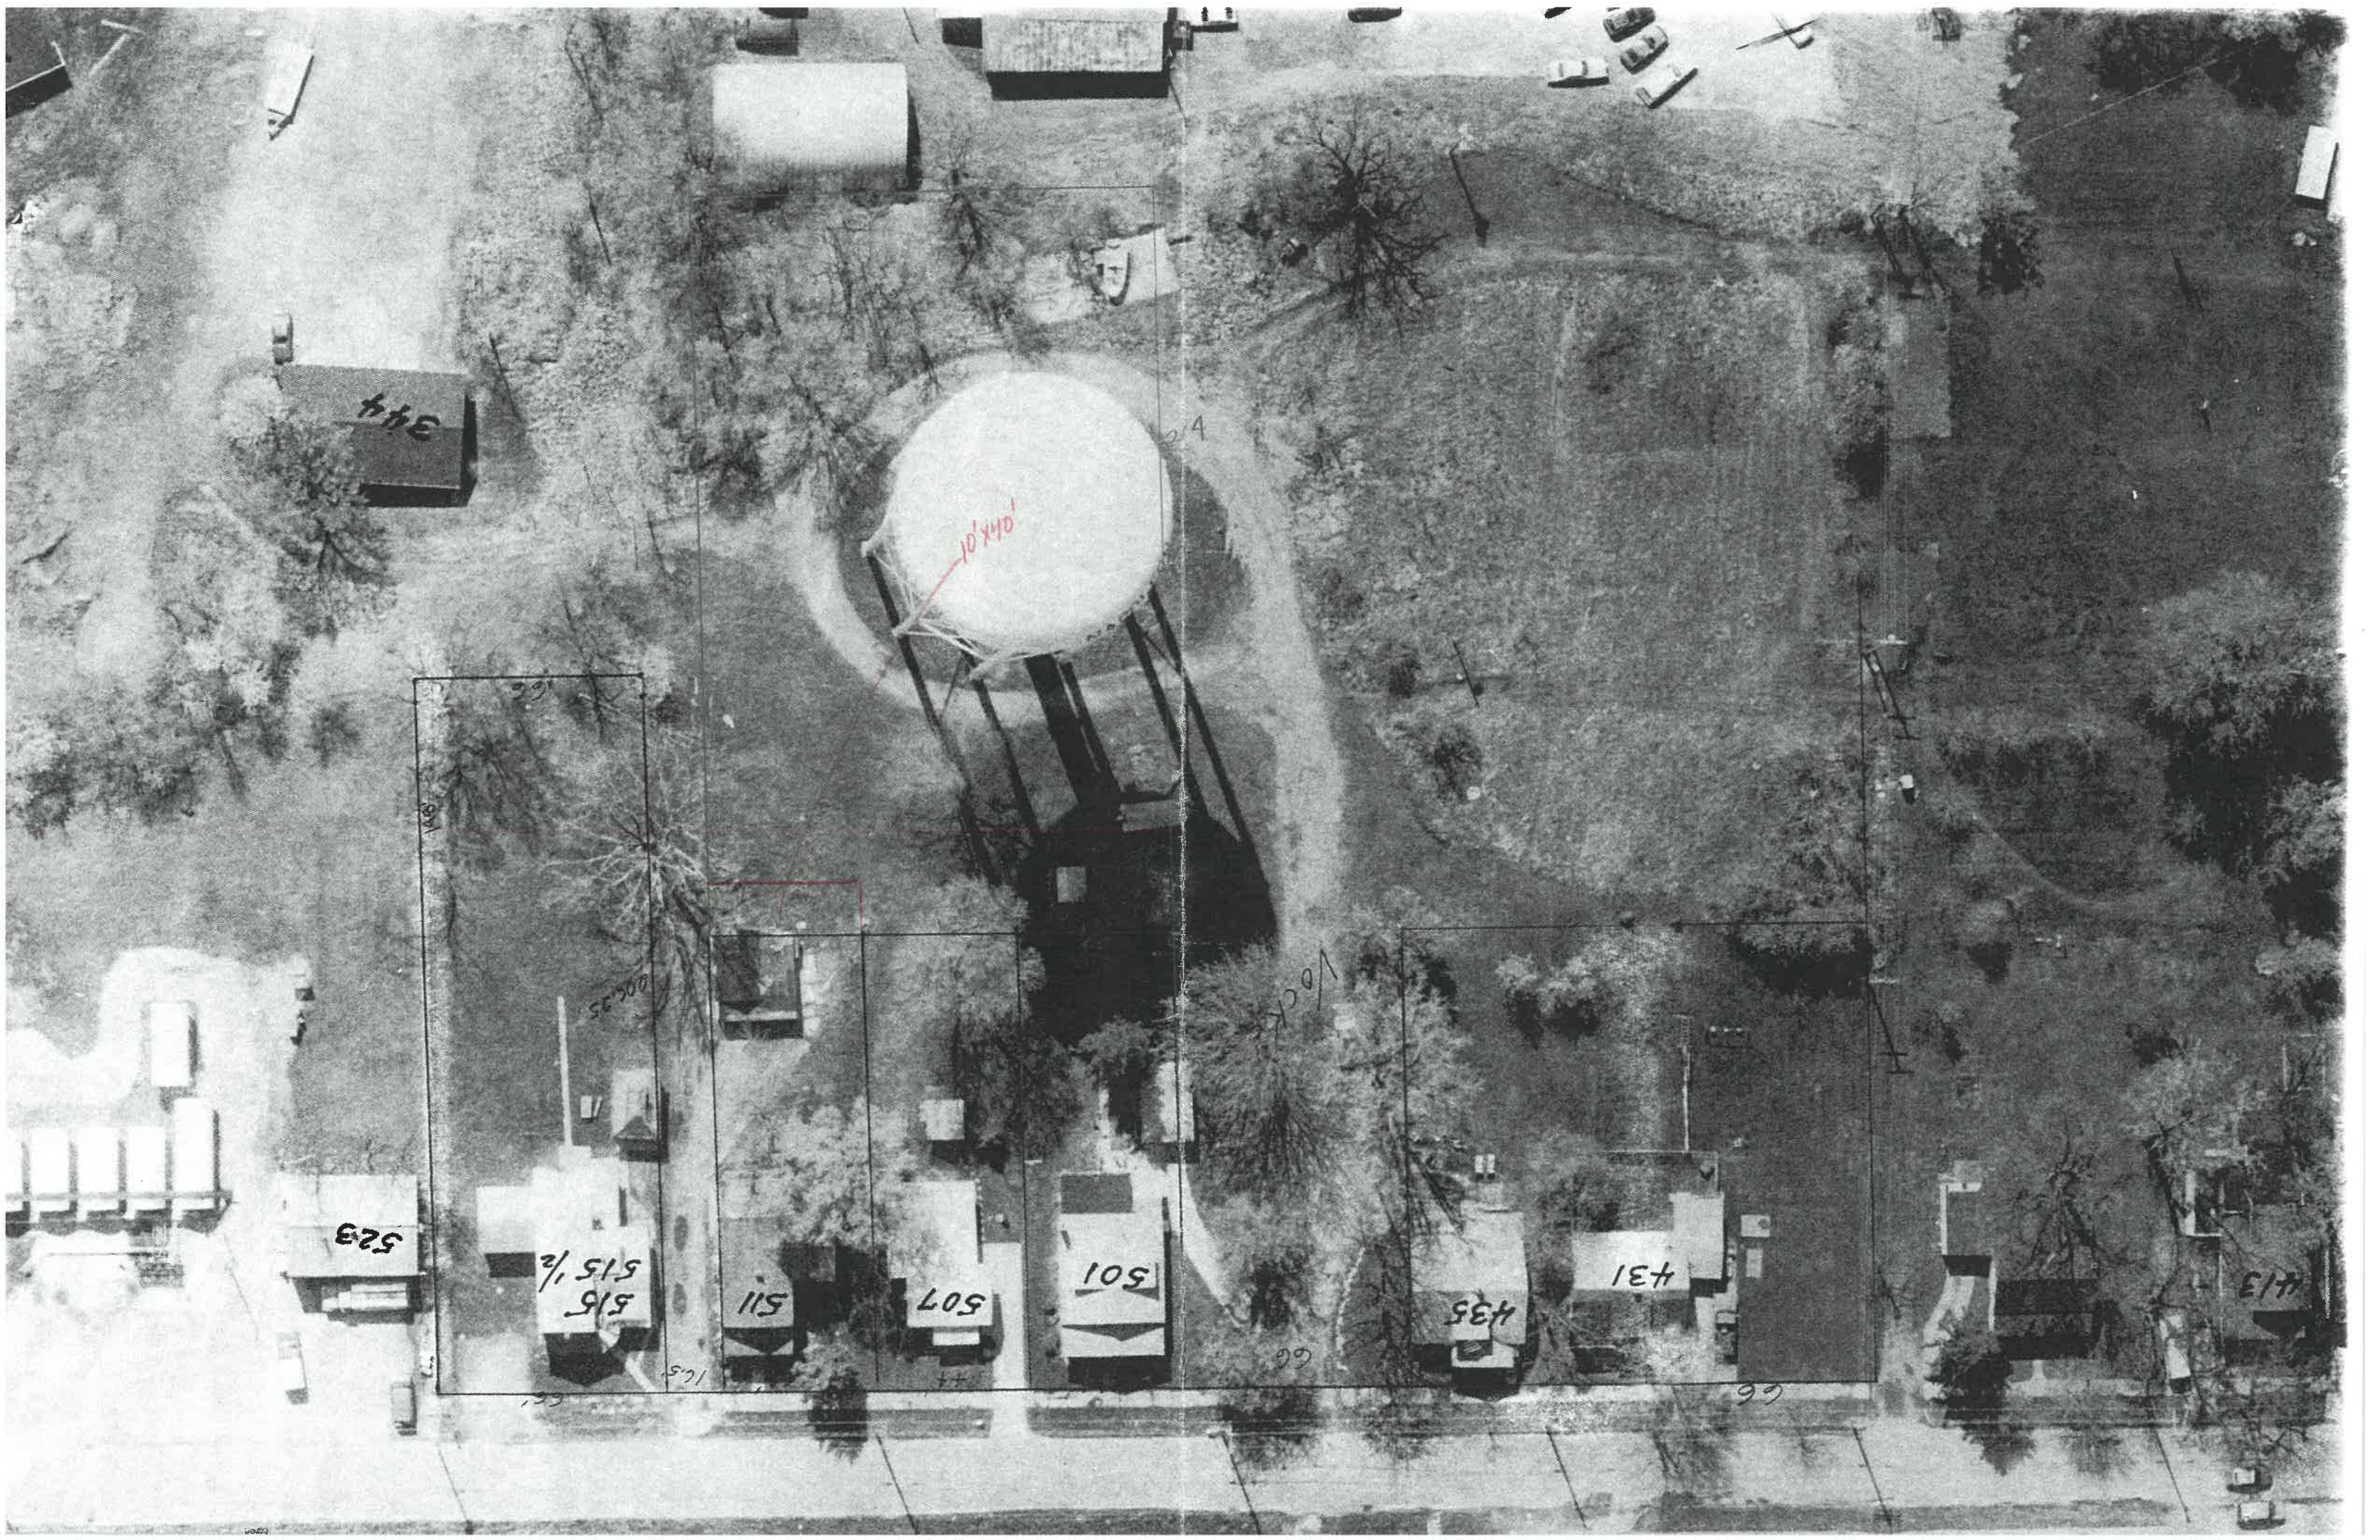

A handwritten signature in black ink, appearing to read 'Marc S. Gerken', is written over a light blue horizontal line.

Marc S. Gerken, P.E.
