Mr. J. J. Colgan
The Fyr-Fyter Company
221 Crane Street
Dayton 1, Ohio

Subject: Napco Plastics
Napoleon, Ohio

Dear Mr. Colgan:

City Council has decided to adjust the cost for making the tap on subject project from \$250.00 to \$150.00.

The Council is going to establish tapping fees for all tap sizes. To date the largest tap size we have made for customers is 2 inch. We have made 4", 6" and 8" taps for our own use, so do not have a fee schedule for these sizes.

We are sorry for this misunderstanding and hope that we may be able to work with you on future projects.

Very truly yours,

Robert C. Jones
City Engineer
