Re. Items on display for sale.

Dear Mr. Nedeau

This letter is to inform you that a Special Use Permit is required in order for you to display items for sale at your place of business. Therefore you are in violation of City Code by operating without proper permits. You are required to cease the display of items for sale until such time you have applied for the proper permits. You may apply for a Special Use Permit with the Planning Commission and be heard on the matter at their next available meeting.
