Re. Two (2) unlicensed/unregistered motor vehicles at your place of business.

Dear Manager

I have received complaints regarding outside storage of unlicensed/unregistered motor vehicles. Please be informed storing these vehicles outside of enclosed buildings is a violation of City Code PM 303.8. According to this particular section of code not more than one (1) unlicensed/unregistered motor vehicle may be located on any lot of land within the City. Therefore, please remove at least one of the subject motor vehicles from your premises.
