To Whom It May Concern,

In the past month, the City of Napoleon has installed, tested and approved the new water main along Freedom Drive. Service taps have been provided for each business along the new water main route.

The City of Napoleon's Ordinance requires each Residential, Commercial or Industrial owner to connect to the city water main within 90 days of written notice. This letter is your written notice to connect to the City's water main.

City Manager
Dr. Jon A. Bisher

Remember to obtain the necessary permits that are required to connect to the City's water supply. Your contractor, after installing the new service, must also disconnect any wells or other water supply sources.

Finance Director
Gregory J. Heath

Should you have any questions concerning this matter, please call the Engineering Department at (419) 592-4010, Monday through Friday, 8:00 a.m. to 5:00 p.m.

Law Director
David M. Grahn
