JOB DESCRIPTION: Flat roof

Remove rubber roofing and insulation board roofing from the flat roof area.
Install high density 1/2" black insulation board on the flat roofing area.

Install .060ml EPDM rubber roofing membrane using the design A fully adhered glue down system.
Install all new flashings and standard accessories.

*Install new seamless aluminum gutters & downspouts, including all standard accessories.

Price \$ 14,500.00

Special note: If the removal of additional layers of roofing would be required or sheeting replacement is necessary it would be at an additional expense.

This estimate includes all materials, labor, dump fees, permits, taxes, cleanup and disposal of all debris caused by said work. We will use a magnetic roller over the yard for nails, staples, et.

PAYMENT: Our normal payment terms are 50% upon the acceptance of the job and the balance due day of completion. Any other payment terms must be approved by management. A 1.37% interest charge per month (15.6% APR) will be added to outstanding balances upon completion of work. Your warranty information if applicable, will be sent to you in the mail. We also enclose a customer survey with the receipt. We really appreciate any comments you may have so that we may continue to serve our customers to the best of our ability.

Your signature is an acceptance of this proposal and its terms. This proposal expires in 30 days unless otherwise indicated.
