Re. Change of address

Dear Mr. Long

This letter is to inform you that after researching the addressing within your development, I have decided to make a few changes. The United States Postal Service has requested that we eliminate Alfa-numeric addressing in the City. The idea behind the request is to establish a national standard for addressing and Alfa-numeric has shown to be incompatible with such a system. The proposed changes will also assist emergency personnel in locating your residence when needed.

I apologize for the inconvenience and the expense this causes you. Please refer to the attached address change notice for your new address which will become effective immediately. Also please note we have sent a copy to all parties listed on the notice.

If you have questions or concerns regarding this notice please call me at 592-4010.

Sincerely

Brent N. Damman
Zoning Administrator
