Gentlemen:

Please consider this a request for a temporary building permit for an office type trailer to be located on the Universal Cooperatives property at 1 Industrial Drive, located in the Industrial Park in Northeast Napoleon. The exact location on the property, the specifications as to trailer size, serial code numbers, etc., are listed on the attached drawing. The trailer is needed to provide temporary office space for three to four persons for a period of six to eight months while we plan and build additions to the current buildings.

Please advise the size and amount of any filing or permit fees.

If you wish further information, I may be reached by telephone at 599-0010 or a personal meeting may be arranged.

Sincerely yours,

W. I. Crissman
