Mr. Thomas W. Terranova Building Commissioner City of Napoleon Napoleon, Ohio 43545

Dear Mr. Terranova:

Please reply to: P. O. Box 471 Napoleon, OH 43545

FEB 18 1977 CHIEF OF NAPOLEON BUILDING DEPT

In your letter of February 16, 1977, you have asked concerning the status of various projects and their permits.

Regarding the Certificate of Compliance for the proposed Rat Bait Plant: since most of this correspondence has been handled by our Alliance, Ohio Divisional office, I am requesting that further information be supplied to you from there.

The "Temporary Certificate of Occupancy" probably should be renewed for a period of 8 months and so request. We are in the process of designing and have let contracts for a sprinkler system and for certain fire retardent alterations. We have discussed this with Capt. Fruchey. We have also let a contract for the construction of a Chain Link fence surrounding the property but the very cold weather has thwarted the construction company's efforts to date.

The "Temporary Use Permit" #217-75 has been allowed to expire since we no longer have a temporary office trailer on this site. This was scheduled for removal some time ago but the weather kept the hauling company from performing.

Sincerely yours.

W. I. Crissman, Mgr.
