Dear Mr. Poffenbarger,

I have reviewed the submitted drawings for the proposed Best Western Hotel site and approve them as submitted. I believe this will be a positive addition to the City of Napoleon Industrial Park.

Credits for the future hotel can be subtracted from the city's allotment. It is my understanding the hotel is a 50 bed structure, therefore 16,650 gallons will be subtracted for their use.

If you have any questions or need additional information, please call me at (419) 592-4010.

Dear Mr. Okerbloom,

I have reviewed the submitted drawings for the proposed Best Western Hotel site and approve them as submitted. The drawings are within the guidelines of the City of Napoleon rules and regulations.

Our water distribution system has sufficient pressure and volume for this development. If you have any questions or need additional information, please call me at (419) 592-4010.
