Re. Street & Subdivision.

Dear Jeff

I have enclosed the basic subdivision procedures for your review.

City Manager  
Jon A. Bisher

I spoke with Jon Bisher regarding the proposed roadway, we both realize that it is not cost effective for you to construct a roadway for access to the proposed building lots. We are trying to come up with a plan whereby you can profit and we can have our access to the Hogrefe property. It is not going to be a short process, but we believe it is possible to accomplish. I will keep you posted as to the progress and how the City will participate.

Finance Director  
Gregory J. Heath

Law Director  
David M. Grahn

If you have questions regarding the attachments I will be glad to stop by your office to better explain the process.

City Engineer  
Adam C. Hoff, P.E.

Sincerely

Brent N. Damman  
Zoning Administrator
