*From: Adam C. Hoff, P.E. - City Engineer*

*Date: January 6, 2000*  
*Subject: Holgate Metal Fab, Inc. - Site Plan Review*

I have reviewed the site plan submitted for the referenced project and hereby approve the site plan as submitted. The expanded facility will not require additional fire risers for their suppression system. The existing site is already asphalt, therefore, no additional runoff is anticipated for the site.

If you have any questions, please see me.
