RE: Napoleon FFM Distribution
Center

Dear Mr. Hayman:

Our Mr. Walter Diedel informs me that you want information on the portable offices that we plan to install at Mr. Norb Bauman's warehouse. We elected to use portable partition style office structure so as to disturb Mr. Bauman's warehouse structure as little as possible until a permanent arrangement materializes. Prior use of these units has been very satisfactory.

We have several construction type agreements pending for the distribution center. You are certainly welcome to call me or the center management with any further questions.

Sincerely,

FAST FOOD MERCHANDISERS, INC.
