Re: Napoleon Warehouse Inc.
Napoleon, Ohio

Gentlemen:

Transmitted herein are three (3) copies of the sewer extension as-built plan for the Napoleon Warehouse Inc. facility located South of County Road R and approximately one-quarter mile West of County Road 12. This is a private 6" sanitary sewer which was extended to serve a refrigerated warehouse recently constructed.

Please advise of any questions or if we may be of further assistance.

Sincerely yours

A handwritten signature in cursive script that reads "Eugene C. Gerken".
