Dear Council Members,

Re: Sanitary sewer separation

I have enclosed a copy of an estimate to take our eave spouts out of the sanitary sewer and put a sump pump in to pump the footer tile. The estimate for this work is \$1,905.00. The ordinance says that the city will pay two-thirds of this bill up to \$2500.00.

I have been critically ill for the last two years and I had a bone marrow transplant earlier this year. As a result, I have not been able to work and I am on disability. My wife has not been able to work during this time period, as she has been caring for me.

I am requesting assistance. Would you please pay 100 % of the bill for the separation.

Thank you.

Sincerely,

James R. Huston
