Re: Illegal Dumping/Filling of Drainage Swale

Dear Mr. Brown,

It has come to our attention that fill was placed in a drainage swale that provides drainage for several residences in your area. It is unlawful to alter existing drainage routes. The material placed in the swale needs to be leveled so as to not impede the natural flow in the existing drainage swale. Please contact our office so that a workable solution can be found.

Yours truly,

A handwritten signature in cursive script, appearing to read "C. Lulfs", is written over the typed name.

Chad E. Lulfs, P.E., P.S.
