JUST THE FACTS

- 1. First of all... No verbal agreements are recognized. Everything must be in writing on the contract.
2. Permits. We will permit on all jobs where they are required. Your permit cost is in addition to your contract price.
3. Rotted wood is beyond our control. We don't know what is beneath your shingles, your existing siding or windows.
4. Condominiums... Customers are responsible for obtaining their own condo approvals.
5. Contact info... We require at least 2 telephone numbers and an email address from every customer.
6. Project Managers... You will be assigned your own project manager.
7. Installation start time is approximately 6 to 12 weeks after approval.
8. We cannot hold or guarantee any installation dates.
9. If you MUST have a Saturday, your projected time of installation may be longer than what is written on the contract.
10. Length of installation - Average time for a roofing installation is 2 - 5 days.
11. A responsible adult 18 years or older must be at the installation site at the beginning and the end of the job.
12. Installation Team... We only use Hanson's-authorized contractors.
13. Power... Installers will need to use your electricity.
14. Children and pets... Please provide a safe location away from the area during the installation process.
15. Financing... If you are financing your balance, Hanson's finance department will notify you when your loan is approved.
16. Landscaping... When your installation is in process, there is debris.
17. Dumpster... Under no circumstances do we leave debris on your property.
18. Roof Installation... If your roof is leaking, we will prioritize it to the best of our ability.
19. Shingles are delivered to your roof top.
20. Gutters... Will not have extensions unless on the work order, they are an additional charge.
21. Windows / Doors: Wood... We do not replace the wood framing or stops around your windows.
22. Construction concerns... We do not do any painting or wood staining.
23. Grids... If you ordered grids on your windows, the patterns will be the same as what you have existing unless otherwise specified on your work order.
24. Unless otherwise specified... half screens are standard on our windows.
25. Window treatments... We ask that you remove all of your window treatments prior to your installation.
26. Replacement windows do not have nailing fins.
27. Doorways come in stock sizes unless otherwise specified on your work order.
28. Window A/C units... We do not guarantee that the A/C units will fit in the replacement windows.
29. Alarm contacts... will not be reconnected.
30. I understand the details of my pre-install checklist and I have received a copy.
