Re: Zoning code violation (storage shed) & Fence on City alley.

Dear Mrs. Piercefield

This letter is to inform you that the storage building addition you constructed in 1999 is still in violation of the City Zoning Code. Also the chain link fence along your west side property line is located in the City alley. Please make arrangements to have the building addition removed and relocated in a conforming location. Also please have the chain link fence removed from the City alley and placed on your property. If you are uncertain where your property markers are located, you will need to contact a land surveyor for assistance.

It would be greatly appreciated if you could have this work completed before June 20th, 2003.

Should you have any questions or comments, please do not hesitate to contact my office.

Sincerely,

Brent N. Damman
Zoning Administrator
