Hello Brent,

Is it possible to notify the landlord for the property at 401 W. Main that the tenants have seven old tires in the yard which need to be removed? They have been lying there for some time now and are visible from both our house, the Creagers on W. Main, and the Klingermans on W. Main, as well as from the street side of Avon Place and W. Main? Thank you once again for your help.

Carolyn J. Rebar
