Tony Buckmaster called regarding letter he received. He wants to know who made the
complaint. Tony wants to talk to them personally and explain that he is not going to clean up
the burnt barn until the Police Department finds out who burnt it down. The insurance company
will not pay until they find out who burnt it and he has contacted contractors to clean it up and
haul the debris away and would cost approx. $1,000.00.
You can reach Tony after 4:00 p.m. at 592-4675.
