Kaufman's
P. O. BOX 96
McCLURE, OHIO 43534

Gentleman,

The new Kaufman's restaurant has a problem we need your help with. We wish to erect a new sign to identify our new location and to change the image that the former owner had projected. To do this we had planned to erect our new sign on the existing concrete island that had been used by Biddies' Restaurant.

Unfortunately we have discovered that the island extends into the road right-of-way a distance of five ft. This leaves thirteen ft. remaining between the end of the island and the edge of the pavement. The erected new sign would be an additional one ft. from the edge of pavement..

The sign is finished and the necessary permits have been applied for.. We hope that you can help us solve our dilemma..

Thank you,

Douglas E. Kaufman

11-22-74:

John Pfund, Harmon Signs:

Asked if Mr Kauffman had come in to discuss the permit, replied No.

Rec'd call from Hankenau law office and they stated that Kauffman owned the property. I stated that my concern was with ownership of street property.

Rec'd call from Mr Kaufmann & told him to show evidence that sign is totally on their property, if not, determine ownership of street property by legal interpretation & they require the owners permission. If the city is the owner, Council permission must be obtained.

Tom:

Re: Kaufman sign on W. Maumee

City council agreed to permit the sign to be erected pending Mr. Kaufman's signing an agreement to move the sign without cost to the city should road widening ever be necessary.

A copy of this agreement should be filed with the permit.

- Mention on permit conditions agreed upon.
- Kaufman will give copy of agreement to Marlo or myself.
