Re: Randy Nation  
139 W. Maumee

Did not see any junk cars.  
A engine under tripod in yard is  
all as can be seen in photo.

Looking from Barnes to Maumee  
Second St. ends at red line on  
photo, then turns to private  
drive, Mr. Nation's neighbor has  
to cross his property to get to his  
garage.

Jim This looks to me like a  
civil matter between property owners
