Re: 209 W. Maumee Avenue
Illegal Sewer Connection

Dear Mr. Rebeau:

During construction of the sanitary sewer project on W. Maumee Avenue it was discovered that the above listed property has an illegal sewer connection, to wit: having a sanitary sewer connection to the City Storm Sewer System. Please be advised that Rules 6.3, 9.1, and 26.10 of the City of Napoleon's Rules for Water and Sewer Service require connection to the sanitary sewer system. Pursuant to Rule 9, you are hereby notified that you have ninety (90) days after service of this Order to remove, eliminate, or correct such conditions.

Pursuant to Rule 27, a violation of Rule 26.10 constitutes a misdemeanor of the minor degree, punishable by a fine of up to \$150.00 per day. Each day in violation constitutes a separate offense. In addition to the criminal penalties, this matter may be deemed a public nuisance and a cause for civil action; finally, the failure to abide by this Order may subject your premises to disconnection of utility services pursuant to Rule 15.1.

A new sanitary sewer service has been made available to this property as part of the on-going sanitary sewer project on W. Maumee Avenue. You are required to install approximately 85 feet of sanitary sewer pipe to make the proper connection. Please contact the City of Napoleon's Engineering Department regarding all questions and permits. The Engineering Department may be reached at 592-4010.

Yours Truly,

Chad E. Lulfs, P.E., P.S.
Director of Public Works
City of Napoleon
