RE: A.B.C. Engineered Letter of Responsibility  
ABC Invoice 26412  
Lot # Freytag Roof  
County: Henry

Dear Sirs:

This engineered letter of responsibility has been sealed by the A.B.C. Professional Engineer. This letter of responsibility along with the corresponding engineered truss drawings, which are attached, are to be presented by you to the proper building inspection department and/or to the building inspector responsible for your job. All trusses concerning this job are listed on the letter of responsibility and all engineered truss drawings listed on the letter of certification are attached.

Sincerely yours,

Marshall McCarty  
President
