Dear Mr. Lester:

City Manager
Richard A. Hayward

The City of Napoleon has received a complaint that a body shop is being operated at your residence. Also, that this work is being done for profit. This type of operation is in violation of the City of Napoleon Zoning Code. Therefore, we are requesting that you stop all work of this nature, on other than your personal vehicles.

Law Director
Keith P. Muehlfeld

If we receive any further complaints, and upon investigation we find that you are in violation of the Zoning Code, you will be cited into Municipal Court by the City of Napoleon.

If you have any questions, please contact this office.

Sincerely,

Von Eric Berlin
City Engineer
