Re: Proposed Residence to be
located at 975 Melody Lane

Attached you will find your Building Permit for the above referenced project along with the plan review sheet, please note the following.

City Manager

Richard A. Hayward

Ceiling Joists over the living room must be a minimum S.P.F. 2 X 8 at 16" O.C.

Clerk-Treasurer

Rupert W. Schweinhagen

The ceiling ht. which was not listed on the section shall be 8'0" Minimum.

Law Director

Keith P. Muehlfeid

Furnish two copies of the heating layout.

The beam you have proposed for to support the floor joists 3-2 X8 @ 5'8" span adequate if the C.A.B.O. will accept Ron Sonnenbergs' contention that the higher (1350) 7 - day extreme fiber stress figure be used. I have asked for a ruling from them and will inform you as soon as I receive it. If they do not accept Ron's premis, it will be necessary to provide 4-2 X8's as you did on first Street.

AS PER

Sincerely,

Eldon Huber
Building Inspector
City of Napoleon, Ohio

CC: Ron Sonnenberg
