Re: 1472 Oakdale Drive Sewer Connection

Dear Ms. Woltman,

Thank you for your prompt response to our Illegal Sewer Connection letter. Our preliminary inspection revealed that your property had potential illegal sewer connections. A final inspection showed that the alleged offending connections had been installed in compliance with an outlet at the curb on Oakdale Drive; your property is now in compliance.

Enclosed is a drawing denoting that the above referenced connections have been verified. A copy will also be kept on record in the City of Napoleon's Engineering Department. If you have questions or require any additional information, please contact our office at 419-592-4010.

Yours truly,

Chad E. Lulfs, P.E., P.S.
