Re. Water service to your residence.

NOTICE

Dear Mr. Carr

I have been informed that once again you have had your water supply turned off to your place of residence. By not having water supply to your residence places you in violation of certain sections of Chapter 503 of the City of Napoleon Property Maintenance Code. You are hereby granted ten (10) business days to make corrections to your internal water distribution system so that your water can be turned on and remain in service continuously.

If in the event you do not comply with this notice within the specified time, proceedings will be taken against you. This could include a \$100.00 fine for each day the violation exists, starting with the day you receive this notice.

If you would have questions regarding this notice, please call me at 592-4010.

Sincerely

Brent N Damman
Zoning Administrator
