Re: My client - Bauman
Stockyards, Inc.

Dear Mr. Schweinhagen:

Enclosed please find copies of two proposed ordinances on behalf of Bauman Stockyards, Inc. that I am filing with you in accordance with the Napoleon City Code §151.16(E)(2) and Ohio Revised Code §713.12. As you know, these sections require that copies of the ordinance, maps, or plans, and written report, etc., submitted by the Planning Commission be on file for public examination, in the office of the Clerk-Treasurer. As per our phone conversation of June 26, 1984, I believe that Mr. Heyman has copies of the preliminary replat which should be on file with you also. Thank you.

Very truly yours,

Jeffrey F. Holers
